

Birch Run Investments Welcomes John DeLaney, CFA as Senior Portfolio Manager

October 24, 2022

Birch Run Investments is pleased to announce that John DeLaney has joined the firm as Senior Portfolio Manager.

In this role, Mr. DeLaney will be an impactful addition to the investment team, further strengthening Birch Run's capabilities in managing institutional quality total return fixed income strategies.

Mr. DeLaney has been a respected member of the Philadelphia investment community for over 30 years. His experience includes roles with Automatic Data Processing, SEI, and most recently The Swarthmore Group where he led a team that managed in excess of \$1 billion in investment grade fixed income assets.

"We're thrilled to welcome John to the team," said David Killian, President and Chief Investment Officer. "He brings a shared investment philosophy and deep experience in constructing customized fixed income strategies, which aligns with our approach in meeting the diverse needs of our clients."

"I am elated to join Birch Run and assist in creating fixed income solutions while providing best-in-class service for existing and prospective clients" said DeLaney.

Exton, PA based Birch Run Investments offers a full spectrum of separately managed investment grade fixed income strategies designed to assist institutions, state and local governments, money managers, endowments, and high net worth investors in achieving their investment goals.
